1. Since Goulart in Sao Borja, and Hermes Lima in Brasilia, I called on Under-Secretary Bernardes late Tuesday morning to give him substance reference telegram. I left Portuguese translation substance points, which he wired at once to Hermes Lima in Brasilia. We both had news reports Cuban agreement to bomber withdrawal and I said would try to confirm by telecon.

2. Personal reaction Bernardes was that they would certainly endorse again blockade they had previously endorsed, and would leave definition of what blockaded for decision by authorities carrying out blockade, with no objection or protest on PCL.
